— INSIDE THE PROGRAMME

Your Learning Journey

1 What You Will Achieve

On successful completion of this programme, you will be awarded the International Master of Business Administration by the University of Wolverhampton.

You will have developed advanced knowledge and skills in your chosen area of business management research, demonstrating the capacity for independent, rigorous academic inquiry at master's level. You will be equipped to apply evidence-based thinking to complex management challenges, contribute meaningfully to organisational strategy and decision-making, and communicate sophisticated ideas with clarity and authority.

This programme also opens a direct pathway to the Doctor of Business Administration (DBA) at the University of Central Lancashire, providing a route to doctoral-level study for those wishing to advance further.

Note: This content reflects the outcomes of the full dissertation stage. Further learning outcomes for the complete International MBA programme are available on the University of Wolverhampton's course page.

2 How You Will Learn

The programme is delivered 100% online and you will be studying through the Canvas platform of the University of Wolverhampton, which is accessible anywhere and at any time. The platform provides recorded lectures, reading lists, live webinar discussions, collaborations and assignments.

Each student is assigned a dedicated supervisor with expertise in their chosen research area. Supervisors provide personalised guidance throughout the dissertation process, helping students refine their research questions, develop methodologies, and analyse data. They offer regular feedback on drafts, ensuring academic rigour and quality.

Additionally, tutors facilitate workshops and seminars on research skills, critical thinking, and academic writing, equipping students with the necessary tools to succeed. This comprehensive support system ensures students can confidently complete their dissertations.

3 How You Will Be Assessed

Assessment on this programme consists entirely of the dissertation submission. There are no written examinations or coursework modules. You will produce an independent research dissertation in a business management topic of your choosing, supported throughout by a dedicated academic supervisor.

Your dissertation will be assessed against the University of Wolverhampton's postgraduate research standards. Supervisors provide regular feedback on drafts and guidance on research design, methodology, data analysis, and academic writing to ensure the final submission meets the required standard of rigour and originality.
