Your Learning Journey

1 How You Will Learn

Study 100% online and get the same qualification, along with many of the same benefits and support as a campus student. Some of the benefits include access to highly experienced academics, career advisors, writing tutors and wellbeing services.

- Our 100% online courses offer the same top-quality modules as on-campus.
- Your learning activities are available on-demand through our innovative social learning platform, so that you can learn at the best time and location for you.
- Enjoy 24/7 access to electronic resources, including thousands of books, e-journals and newspapers.
- Receive guidance from a tutor who will lead live sessions (recorded for those unable to attend) to support and add depth to your learning.
- The tutor will be available for further support through email and the learning platform.

2 How You Will Be Assessed

Coventry University Online degrees are assessed using a variety of methods which will vary depending upon the module.

Assessment methods may include:

- reports
- essays
- practical coursework
- presentations
- real life case studies

The Coventry University Group assessment strategy ensures that degrees are fairly assessed and allows student progression towards achieving the intended learning outcomes to be monitored.

Note: As an LIBT graduate entering at the final stage, your primary assessments are the Dissertation and the Internship Project, both worth 60 credits each.
